Dearest Fathers/Parishioners of Our Lady of the Snows Church;

We wish there was some other word we could use apart from the usual word "Thank you", but there is none.

We the Sisters of the Handmaids of the Holy Child Jesus, Ghana Province would like to express our deepest appreciation for the love, concern and the support you showed us during the fire outbreak in our convent in Ghana. We are most grateful for your generous donation. This will go a long way to repair our damaged house. Thank you for being there for us.

Thank you for being a people who share the light of God's love in so many special ways. This Parish is a living community of angels and saints. Once again we say Thank you!

Remember, your thoughtfulness will forever remain in our hearts. May the good Lord bless each one of you and your families abundantly and replenish whatever you spent in support of our convent.

Sincerely yours in Jesus Christ,

Sister Patience Quayson, HHCJ
