"Turning today's learners into tomorrow's leaders"

A Message from the Principal ...

We are off and running in the 2018-19 school year. Already a month has gone by. Students are all settled into their classes and moaning about homework – nothing out of the ordinary.

October is Anti-Bullying month. We will be having discussions and presentations with the students regarding putting an end to racism, hatred, digital abuse, bullying and cyberbullying. We have always taught our students to respect property, each other and themselves. We enjoy a great diversity of cultures, religions and nationalities in our school. We are all different but are all the same in the eyes of our Lord.

Students are preparing for the TerraNova testing in Grades 3 through 8. Our 8th graders are preparing for the TACHS (Test for Admission to Catholic High Schools) on November 3. Our students always score high on these tests and always make us proud.
