

Our Lady of the Snows Catholic Academy

"Turning today's learners into tomorrow's leaders"

A Message from the Principal ...

As Spring starts to bloom, we are excited about a few academic programs that happen every day at OLS.

Aquinas Law program has started as a 10 week course which will center on Edgar Allan Poe and "The Tell-Tale Heart". The students will gain understanding of laws, court systems and trial procedures with professional judges and attorneys as moderators.

Bricks for Kidz program will be available weekly to grades 1-4 during the school day. The program will allow children to build mechanical vehicles and other structures using lego bricks. This is an extension of our existing STEM curriculum.

Our Lady of the Snows Catholic Academy is an important part of all our lives and the lives of our children. We are hosting a fun auction on March 28, 2020. But we need YOUR HELP NOW!!! Are you an accountant? makeup artist? DJ? photographer? Work for a generous company? Do you have a new item, with tags on it, that you don't want? Consider donating it to our auction. All money raised goes to support Our Lady of the Snows CA.

Most importantly save the date and join us! It will be a fun night with lots of great auction items.

Congratulations to the band students who performed at the Honor Band Concert at St. Francis Prep. As always, they made us proud.
