"Turning today's learners into tomorrow's leaders"

A Message from the Principal ...

As Spring starts to bloom, we are excited about a few academic programs that happen every day at OLS.

March was Literacy Month at OLS. The students were encouraged to read every day and participate in grade appropriate activities. Students were encouraged to complete projects and have their name entered into a raffle to win NUT cards (No Uniform Today). Parents were asked to spend time with their children and read with them. We found that "Wednesday without TV" was the hardest project.

We held our annual "Pajama Day" when the students donate \$2 and are able to wear their pajamas to school. The money raised was used to purchase pajamas for children in a homeless shelter. We talked about those less fortunate.

We celebrated St. Patrick's Day and St. Joseph's Day. Our prayers were offered for all the Sisters of St. Joseph and we strive to promote their mission of fostering love, unity and reconciliation within the earth community.

We wish everyone a Blessed Easter!
